3. Frequently Asked Questions (FAQs)

1. **How can I buy property in Nigeria while living abroad?**
   Chapelhill offers a 100% remote acquisition process for diaspora clients and international investors, including virtual 3D walkthroughs, drone surveys, verified legal documentation, electronic contract execution, power of attorney facilitation, and secure international bank wire or escrow payments.

2. **How do I verify the authenticity of the property and documents?**
   Title searches are conducted under official Lagos State Lands Bureau parameters with transparent title verification and legal risk mitigation.

3. **Can I finance my property purchase from abroad?**
   Yes, through structured milestone payments, installment plans, and designated escrow accounts.

4. **How do you ensure the quality of construction in my absence?**
   Through regular photo updates, video milestone reports, transparent communication, and rigorous technical supervision led by experienced civil engineers and project managers.

5. **Can you help with property management after purchase?**
   Yes, comprehensive property maintenance and facility stewardship services are available, covering plumbing, electrical works, HVAC repairs, and security.

6. **What types of properties do you develop?**
   Residential buildings, luxury penthouse developments, industrial properties, and civil infrastructure including road construction and drainage.

7. **How long does it take to complete a construction project?**
   Timelines vary by project scope and are outlined in detailed milestone schedules during the proposal stage.

8. **How do I get a project started?**
   Contact the advisory desk via phone at (+234) 903 913 0207 or email at chapelhillmulticompanyltd@gmail.com to schedule an initial consultation.
